

## **PE & Sport Premium Funding**

### **Corvedale Primary School Progress report – September 2021**

#### **The national aims of the funding**

The Sport Premium is funding for schools that is ring-fenced for improving the provision for Physical Education and sport for all pupils. For the funding period in 2020 Corvedale received and spent approximately £17,000.

Schools have been encouraged to consider the impact of the funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:

- the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- the increase and success in competitive school sports
- how much more inclusive the physical education curriculum has become
- the growth in the range of provisional and alternative sporting activities
- the improvement in partnership work on physical education with other schools and other local partners
- links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- the greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

#### **Progress and developments to date**

The work to date has established the following:

- A balanced and progressive PE Curriculum that gives variety and covers games, gymnastic, athletic, aquatic and dance activities.
- Training in Level 5 Primary PE & sport for a member of support staff
- Schemes of work for each of the year group and each identified elements of the PE curriculum
- Link with Sport4U to provide Primary PE coaches delivering good and outstanding lessons and support existing teachers to develop their confidence and competence in delivery of Physical Education
- Detailed session plans for each session delivered including differentiation for the range of pupils in each class, relevant support resources, and pupil assessment techniques.
- An afterschool multi-sport club and individual sports clubs with external coaches
- Links with South Shropshire School Sports Partnership established for a number of years, with a programme of sports festivals, tournaments and training including transport to and from events
- Play equipment to encourage active playtimes and lunchtimes
- Forest school activities including transport to and from external sites
