

Update from Mr Brough

It was good to see so many parents and other family members at our harvest festival on Wednesday morning. Thank you again for coming to the celebration of harvest. I think you will agree that the children's performances both in song and readings were amazing. Thank you for your generous donations to the harvest, which Father John has taken on our behalf to the Ludlow Foodbank.

It's a busy week coming up. Visits out of school, sporting events and house activities. Please check the diary to see what is going on.

Following a successful evening on Number Bonds and Number Sense I am planning another Maths for Parents session on **Tuesday 24th October at 6:30pm**. The theme this time will be Multiplication and Division. The session will give you information when your child is introduced to these topics and go through step by step the methods we now use in school.

There is only a couple more weeks till the half term break. A reminder that **Friday 27th October** and **Monday 6th November** are both 'training days' for teachers, children do not need to come to school on those days.

Sport and PE

This week we took some of Class 1 out to Ludlow Football Club for their 'Football Festival'. The children all tried their best, despite it being a new experience for some of the children. They really got stuck in and made some great saves and even scored a few goals.

Well done!

Seedpips!

Yesterday marked the end of the 2023 Season gardening club where we picked the last of the raspberries, arranged cut flowers and watered the overwintering green manure crops in the polytunnel. The veg and bean containers from the front of the school have been emptied into the compost bins or refilled by the children with pansies for some winter colour. Another great season despite the mixed weather this year!

Thanks to the volunteers Colin, Jo and our (not so) new face Jackie for all their help with running the club. They will be meeting over the shutdown period to plan for re-starting in February 2024. If you have any ideas for our season next year or if you (or anyone you know) may be interested in helping us on a Thursday afternoon or just to care for the school garden, please do get in touch it would be great to have more volunteers.

In the meantime, please do continue to check for produce and keep using the stall in the car park as this provides us with the funding to continue buying equipment, compost, seeds, plants etc for the children.

The CSA has been busy arranging lots of exciting events for the Autumn Term. Firstly, together along with the school staff we have arranged for a **Sponsored Walk** on **Thursday 26th October** with all proceeds going towards Harrison's Bionic Arm Fund. Sponsor forms should have gone home in children's bags today,

Then on Monday 30th October there will be a **Family Quiz Night** at **5.30pm** taking place at **The Swan** in Aston Munslow. Tickets will be £10 per group of 4-6 and there will be a children's round and some great prizes up for grabs. **Please contact the school office for booking information.**

Dates have also been pencilled in for our popular **Wreath Making** session and with special request from some of the Corvedale pupils a **Christmas Disco**.—
Dates and times TBC.
