Update from Mrs Rook

I hope that you have all managed to have a lovely and restful Easter break. Summer term is the best term and we have already had a fabulous and exciting start to this one. As you have probably heard we have welcomed four amazing new team members. We have welcomed **Mrs. Sophie Latham** an amazing teacher with SENCO experience, who has a passion for outdoor learning and wellbeing. **Mrs. Kat Griffiths** another amazing teacher with lots of experience across all areas of school life, whom many of you already know has also joined our Corvedale team. Both working in Robin class and delivering our Wonderful Wednesday afternoon sessions. We are also pleased to introduce **Miss Freya Morgan-Jones** our new experienced SEND Teaching Assistant who has recently returned from travelling and has settled in very well already making a huge difference in school. Last but not least, **Mr. Richard Egerton** has joined the team for the Summer Term after working as a Supply Teaching Assistant in Owl Class since November. He has an abundance of knowledge and interests, such as his vast language skills and lunchtime football refereeing which is enhancing the Owl class experience.

This Wednesday was the first of a term of **Wonderful Wednesdays**. These begin with our fabulous singing and music sessions across school and the afternoons are also very special. During these enrichment focused afternoons the children across the school join together in their House Groups to engage in Spirituality & wellbeing sessions with Mrs Latham, Digital Literacy with Mrs Smith and Coaching linked to communication and social skills linked to teamwork playing boardgames with Mrs Griffiths.

Robin Class reminder—This coming Tuesday 21st April is the first week back to Millichope for Forest School which will be fortnightly for the rest of the summer term.

This week was also the first of our **'Stay and Play'** sessions on a Friday morning in Nursery for pre-school aged children. It was lovely to see some new faces who engaged really positively with our nursery community. We are already looking forward to next week!

Finally, we are very excited to announce that **Gardening Club** will be returning on **Thursday 23rd April** with Colin, Jo and Jackie. In addition to this Colin has been working very hard over the spring term and Easter developing our wonderful wellness garden. Sadly our play tractor has disappeared overnight much to the upset of the children who used it. Colin has been trying to source a replacement so if anyone has an unwanted large ride on toy tractor they are willing to donate or sell we would be very appreciative.

We hope everyone has a wonderful weekend and look forward to seeing you on Monday.
