## Update from Mrs Rook

It's been a lovely busy week in school, all the children and adults are continuing to enjoy their wonderful Wednesday experiences. We had some very helpful year 6 boys up in nursery this week, repairing the mud kitchen area following the floods in the winter.

We've been lucky enough to have Jack and Jordan back in school for some fun rounders and basketball PE sessions. I think this is a highlight for many of the students.

We have also been blessed with some splendid sunshine and been able to enjoy the amazing outdoor environment we are so fortunate to be situated in. It has been so lovely to see the children playing on the field throughout lunchtime, be it football, hide and seek, card games or gymnastics, it's a pleasure to see them embracing their creativity at playtime.

Colin, Jo and Jackie are back for gardening club on a Thursday. For the newer families, Seedpips gardening club are a team of volunteers who come into school during a Thursday afternoon to work on the school gardens with different children each week from across the school.

We are also very excited to announce that we have a parent who has volunteered to run an afterschool football club on a Thursday from 3.15-4.15pm. From May. Initially this will be for children in Year 3-6. We would be grateful if you could please email the school to let us know if your child is interested. More information to follow.

We hope you all have a lovely weekend and manage to enjoy the sunshine.

## Dates for your Diary
