

Newsletter — 6th June

Update from Mr Davda

Good afternoon everyone, I hope you've all had a good week back at school. You should now have received an invitation to our new payment/booking system—Arbor. I apologise again for the length of time this has taken to set up which has been far longer than we originally anticipated. Any outstanding debt or credit should now have been added onto your child's Arbor account, however, if you have any comments or queries, please do not hesitate to contact the school office. We would be grateful if you could now cease use of Scopay please.

I was fortunate enough to have a wander down to Diddlebury Church yesterday afternoon to take a look at 'Messy Church'. It was great to see so many Corvedale children and their families enjoying all the fun FREE activities on offer, in such a beautiful environment. There were science experiments, seed planting, giant artworks, dancing and much more! The food, served on tables decorated with flower arrangements made by the children, was an unexpected treat too! Please keep your eyes peeled for the next event as it's well worth a visit!

Thank you to everyone in Year 5 and 6 who have already paid and consented for their children to attend the residential trip

to Wilderhope, we would be grateful if this could be done ASAP to secure your child a place.

Finally, the 'Dates for the Diary' section has been updated again, so please take a look and make a note of any upcoming important dates.

I hope you all have a wonderful weekend!
